## Cadanz Signature Date Jewellery 36mm

### PRODUCT DESCRIPTION

The Cadanz by Kerbedanz Signature reinterprets classic lines with a resolutely contemporary twist: it is the very essence of the collection. Housing a sleek eggshell dial and a central guilloché pattern, it features a mechanical self-winding movement and a power reserve of 50 hours. Moreover, its glass and case back are made of sapphire crystal with anti-reflective coating. The Cadanz by Kerbedanz Signature 36 mm comes with a 18K rose gold case whose bezel, lugs and case are set with 198 diamonds, and an alligator strap.
