Maximus Tourbillon 49mm

PRODUCT DESCRIPTION

With Maximus, dive into the heart of the largest tourbillon ever developed for a wristwatch. This impressive 49 mm model in 18K rose gold and mounted on an alligator strap features a solid gold dial handcrafted and decorated by Kerbedanz and the brand's signature crown at 2 o'clock. Its four parallel barrels can be admired through the transparent sapphire crystal case back that reveals all the secrets of fine watchmaking excellence.

This model is produced in a limited edition of 99 pieces.
