Cadanz Cruise Date 41mm

PRODUCT DESCRIPTION

The Cadanz by Kerbedanz Cruise Date is an invitation to travel. It stands out for its Arabic numerals with minimalist, clean lines surrounding a delicate central guilloché that give this timepiece a decidedly fresh and contemporary look. Featuring the hour, minute, second, and date functions in an openworked aperture in line with the crown at 2 o'clock, this watch is equipped with a mechanical self-winding movement that has a power reserve of approximately 50 hours. Combining daring and subtlety in a 41 mm DLC-coated stainless steel case mounted on a rubber strap, it succeeds in creating a uniquely harmonious and aesthetic piece.

FUNCTIONS

Hour, minute, second, date
