Cadanz Signature Date Jewellery 36mm

PRODUCT DESCRIPTION

The Cadanz by Kerbedanz Signature reinterprets classic lines with a resolutely contemporary twist: it is the very essence of the collection. Housing a sleek silver dial and a central guilloché pattern, it features a mechanical self-winding movement and a power reserve of 50 hours. Moreover, its glass and case back are made of sapphire crystal with anti-reflective coating on both sides. The Cadanz by Kerbedanz Signature 36 mm comes with a stainless steel case whose bezel is set with 68 diamonds, and an alligator strap.
